MILESTONES 2021

BRITISH MEDICAL JOURNAL AWARDS 2021

The REMAP-CAP team were nominated for the BMJ Critical Care Award. This award recognises teams who have used innovative approaches to deliver safe patient-centred care to critically ill patients. On the 29th September 2021 the REMAP-CAP team were announced winners of this award. We would like to say a special THANK YOU to all the sites that have worked so hard over the past 18 months. We could not have done it without you!

CELEBRATE YOUR SUCCESS

So much has been achieved by the UK REMAP-CAP sites. THANK YOU EVERYONE for your continued SUPPORT. The evidence you are generating is already improving care for patients with COVID-19.

We'd also love to hear from you so please feel free to stay in touch with the REMAP-CAP family via our social media outlets.

We look forward to the time when we can celebrate your success together.
