Screening covers any activities required to check if the subject meets all in- and exclusion criteria as stated in the protocol. Screening procedures may usually only be done after Informed Consent was signed, but depends on national regulations.

Enrolled indicates that a participant has signed ICF, completed screening according to the protocol and was randomized.

| Screening number (1, 2, ...) | Date of screening | Screening code/ patient number (eCRF) | Enrolled Yes/No | Reason if not enrolled |
